ABOUT ME

Energetic and dedicated Electronics and Communication Engineering student passionate about innovation and problem-solving. Proficient in Python, C, and C++ software. Experienced in developing IoT projects

EXPERIENCE

Projects

- IOT Based Flood monitoring and Early Warning
- Real-time Object detection using raspberry pi

Participations

- CK College of Engineering and Technology: Participation in National science Day- Paper Presentation.
- CK College of Engineering and Technology: Participation in Founders Day-MINI Project.

Workshops

- RP2040 Programming with MicroPython conducted by Ediylabs.
- Fundamentals of Artificial Intelligence and Machine Learning

Industrial Visit

- IIT Madras Research Park, Chennai.
- Derma India, Chennai.
- Inplant Training at BSNL Telephone Exchange, Cuddalore.

TECHNICAL SKILLS

- Python
- C
- C++
- Basic of HTML
- Basic of CSS

TECHNICAL CERTIFICATION

- The joy of Computing using python on NPTEL Platform.
- Python on EDUPREP platform
- Problem Solving through programming in C on NPTEL platform.
- Microsoft Office Fundamentals-Microsoft
- Network Essential -CISCO

EDUCATION

Bachelor of Engineering, Electronics and Communication

C.K College of Engineering and Technology,
2021 – Present

CGPA: 7.96

12th Grade

Ramasamy Chettiar's Town Higher Secondary
School, Chidambaram.

Percentage: 68%

10th Grade

Ramasamy Chettiar's Town Higher Secondary
School, Chidambaram.

Percentage: 54%

LANGUAGE

- English
- Tamil
- Hindi
